Dear All,

The Police Rehabilitation Centre (Flint House) – Cessation of 12 Month Rule

The Board of Trustees of the Police Rehabilitation Centre (Flint House) have agreed, that with immediate effect, officers who donate to Flint House with a declared pre-existing condition will not have to wait 12 months to receive treatment.

The Board recognised that the 12 month rule is a potential hurdle to timely treatment for both physical and mental health conditions and that Flint House needed to evolve to meet the needs of those officers who require support.

To streamline the procedure and to make it less burdensome of Pay-roll Departments all new donors will now “sign-up” directly to Flint House via a form that can be accessed on the Flint House website. www.flinthouse.co.uk

It would be appreciated if you could encourage those who have not “signed up” to Flint House to do so and to continue to support those officers who find themselves in need of our services.

The Centre always welcomes visits from you and any members of your team to see at first hand the activities that are available to get your officers back to full duties.

I look forward to hearing from you and perhaps hosting a visit to Flint House.

Tom McAuslin
Chief Executive
